## Experience in attracting research funding, leading and carrying out international research grants:

1. **Co-PI** in a Polish-German bilateral project (Co-PI for German partner Prof. Kerstin Pull) **WorkFamRec - State and company-level work-family reconciliation policies and maternal employment. An analysis from a capability approach perspective.** Funding DFG/NCN: 166 719 EUR. Period: 2018-2020. Research includes, among others, applying Sharp Regression Discontinuity Design to analyse the impact of childcare reform in Poland on maternal employment. We pay particular attention to examining the moderating role of the local cultural context for this impact. Other subprojects aim to: analyse the impact of female employment on provision of childcare and flexible working arrangements at the company level, as well as relative impact of formal and informal childcare on maternal employment in different socio-cultural contexts of Poland, West and East Germany.
2. **PI** in national project **RECAP - Work-family reconciliation in Poland from a capability approach perspective.** Funding NCN: 171 260 PLN. Period 2015-2018. Research included quantitative analyses based on panel data from Generations and Gender Study in Poland (part of GGP: <https://www.ggp-i.org/>), including estimation of a Structural Equation Model, and in-depth interviews with 20 families in Poland.
3. **PI** in international project **Joint influence of family and labour market policies on labour supply and fertility decisions of men and women.** Funding Foundation for Polish Science: 344 000 PLN (c.a. 80 240 EUR) Period: 2011-2015. International cooperation with Katharina Wrohlich (DIW Berlin) Research included microsimulation analyses with the use of EUROMOD and SIMPL microsimulation model and estimating Cox proportional-hazards model and logistic regressions (on GGS data for Poland).
4. **Co-PI** (coordination of quantitative studies) of Polish partner (PI of Polish partner: dr hab Maria Theiss) in **TransSOL: Transnational solidarity at times of crisis. PI – Prof. Christian Lahusen** (University of Siegen). Project funded by EC in EU HORIZON 2020, call: H2020 EURO-3-2014; grant no. 649435; Project total budget: 2 483 805 EUR. Period 2015-2018. The details of the project can be found at: <https://transsol.eu/>
5. **Co-PI** (coordination of quantitative studies) of Polish partner (PI of Polish partner: dr hab Maria Theiss) in **LIVEWHAT: Living with hard times: citizen’s resilience in times of crisis.
