

Erasmus+ 2020/2021

UNQUALIFIED STUDENTS / APPEALS

Below you'll find information regarding the second round of Faculty qualification. Please notice that deadlines are very short. Only those who participated in the qualification but weren't assigned mobility are permitted to reapply.

Students who were denied mobility due conditional enrollment to more than one course are not permitted to reapply (they can, however, participate in the second and third rounds of qualifications organized by the International Relations Office provided they complete conditional courses).

ATTENTION!

Please note that not all students are eligible to the Erasmus+ scholarship due to insufficient GPA. Some candidates are obliged to deliver missing documents.

23 February (24h00)

Deadline for appeals / submissions

Students who didn't qualify anywhere can reapply by e-mail: k.boiret@uw.edu.pl - title: *Erasmus 2020/21 appeal (Surname and Student ID No)*.

Students indicate a maximum of three receiving institutions from the revised list of agreements starting with the most desired. There is no need to submit any other documents unless specifically indicated in the list of unqualified students.

26 February

Announcement of results

26 February

Coordinator assigns slots to students in USOS

26 February – 27 February

Students fill out information in USOS

In USOS tab "Student sections" → icon "Student exchange" → Mobilities

Once you've finished filling out the data, please contact the Faculty Erasmus+ Coordinator by e-mail (k.boiret@uw.edu.pl) - title: *ERASMUS 2020/21 (Surname and Student ID No)*

27 February

Coordinator approves the data filled out by students in USOS

27 February - 3 March (14h00)

Qualified students submit printed (from USOS) and signed student mobility forms to the Coordinator

Students deliver the document to the information Point (Collegium Politicum, entrance B, ground floor).

The document can be submitted only AFTER the Coordinator has accepted in USOS the information provided by the student.

The student mobility form has to be signed ONLY by the student (NOT by the Dean).

ATTENTION! The delivery of the said document is necessary to complete the qualification process. Failure to deliver the document will be interpreted as resignation from the Erasmus+ program.

The Coordinator delivers student application forms to the Warsaw University International Relations Office (IRO).

From that moment on, IRO organizes and manages your mobility (contacting you via your e-mail from USOS), with the exception of matters related to your Learning Agreement later on which are the responsibility of your Faculty Coordinator Karolina Boiret Ph.D.

i Studiów Międzynarodowych
Uniwersytet Warszawski

Please remember that the selection of courses and any subsequent changes before or during mobility require each time the consent of the Faculty Coordinator. You obtain the Coordinator's agreement via e-mail: k.boiret@uw.edu.pl (not via USOS!). Failure to obtain the agreement may result in the lack of recognition of your courses.
