

Erasmus – Educational Mobility (KA103/2020)  
**Sending language tests OLS - Online Linguistic Support**  
(Information from BWZ nr 13/20/SMS/2020/2021/ENG)

We would like to announce that the International Relations Office has assigned language assessment (OLS language tests) to the following Erasmus students:

- 1) students who are going to study abroad in the first term or the whole academic year;
- 2) students who declared one of the following languages as their language of instruction:

**English**, Bulgarian, Croatian, Czech, Danish, Finnish, French, Greek, Hungarian, **Spanish**, Dutch, **German**, Portuguese, Romanian, Slovak, **Italian** or Swedish.

A link to the language assessment has been sent by the European Commission IT tool: OLS to students' email addresses **in USOS system**.

There will be 2 tests: before the mobility and after the mobility. The tests are obligatory for all Erasmus students, with exception of **native speakers** of the given language.

If your result is C2, you will be exempt from the second test.

**Please note!** If, while contacting the host university, you find out that most courses will be held in a language different from the one you declared during the qualification process, don't start the assigned test and please report the language change to Ms. Ewa Rak ([ewa.rak@adm.uw.edu.pl](mailto:ewa.rak@adm.uw.edu.pl)). You will then be assigned a language test in the correct language.

The information on what language of instruction you declared is visible in your USOSweb profile
